Part name: Ft Cross Member Assy

Part number: 20100ZR000

Component

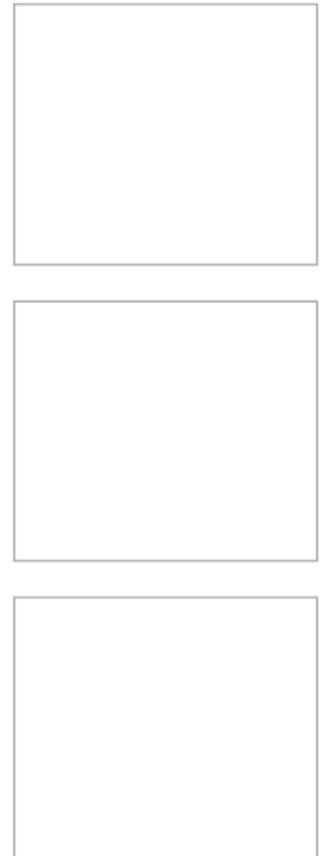

- REINFORCED FRONT CROSS MEMBER : 1
- SUPPORT BAR : 1
- ADJUSTABLE WASHER : 4
- BOLT M8 : 2
- NUT M8 : 2
- CAP BOLT M10 : 2
- BOLT M10 : 6
- NUT M10 : 2
- BOLT M12 : 4

Feature

- VR4-homologated Front Cross Member for Group R4
- High rigidity for adapting on tough/rough gravel
- Optimized pivot point
- Selectable pivot point on tarmac/gravel by adjustable washer

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Support Bar CRM Ft

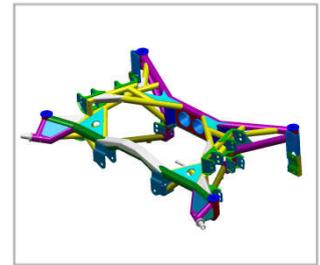

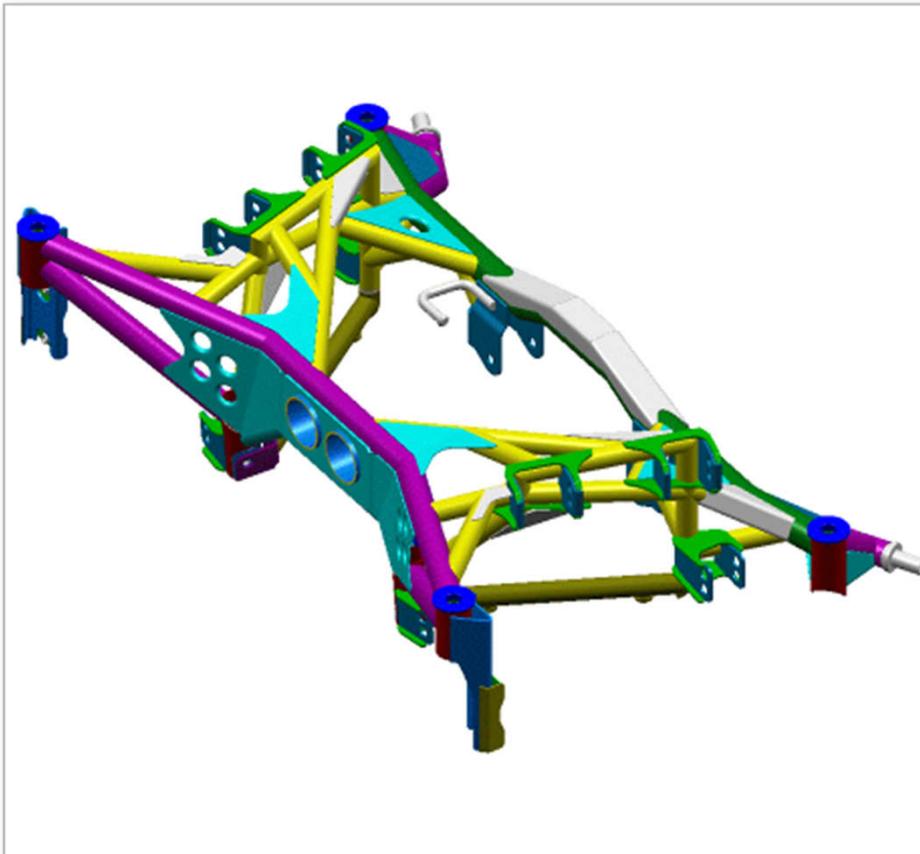

Part number: 20107ZR200

Component ■ SUPPORT BAR : 1

Feature ■ Overhaul use for Ft Cross Member Assy (20100ZR000)

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Rr Sub-frame Assy

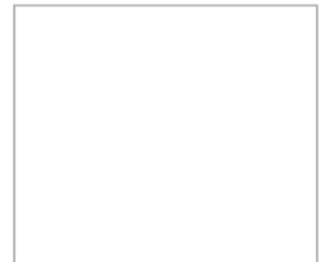

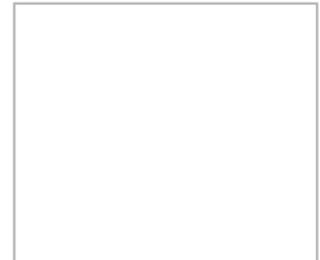

Part number: 20152ZR100

Component	
	■ REINFORCED REAR SUBFRAME : 1
	■ SUPPORT BAR LH/RH : 1 each
	■ BOLT M10 : 6
	■ BOLT M14 : 4
	■ Washer M10 : 6
	■ Washer M14 : 4

Feature	
	■ VR4-homologated Rear Sub-frame for Group R4
	■ Light weight and high rigidity for adapting on tough/rough gravel
	■ Selectable pivot point on tarmac/gravel
	■ Designed for easier to maintain at changing rear differential or driveshaft
	■ Designed for optimized and easier to mount rear differential guard
	■ Selectable each mounting point of Link

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Support bar for Sub-frame

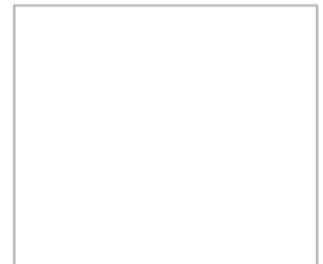

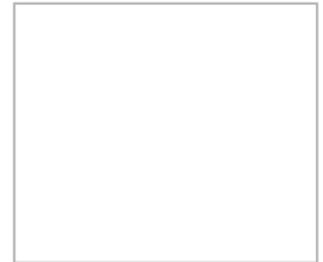

Part number: R4201ZR000

Component ■ SUPPORT BAR LH/RH : 1

Feature ■ This is repair part for Rr Sub-frame (20152ZR100)

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Pillow Ball Bush for Ft Lower Arm Ft

Part number: 20204ZR100

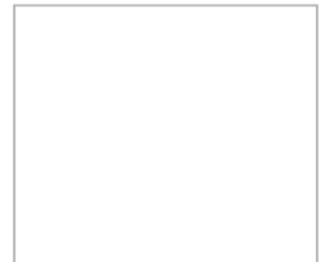

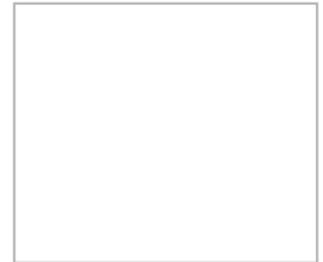

Component ■ PILLOW BALL : 1 (2 per car)

Feature

- VR- homologated Pillow Ball Bush for Group R4
- Improve traction by low friction
- Realize longer life by special seal design

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Pillow Ball Bush for Ft Lower Arm Rr

Part number: 20204ZR110

Component ■ PILLOW BALL : 1 (2 per car)

<Remark>

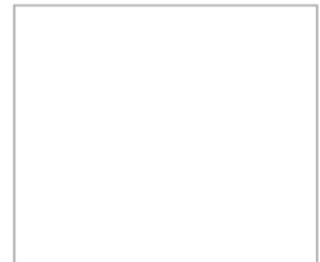

This part is only for GRB (5 door).

Feature

- VR4-homologated Pillow Ball Bush for Group R4
- Larger swing angle for adapting longer suspension stroke
- Improve traction by low friction
- Realize longer life by special seal design

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Pillow Ball Bush for Ft Lower Arm Rr 11MY

Part number: 20204ZR030

Component ■ PILLOW BALL : 1 (2 per car)

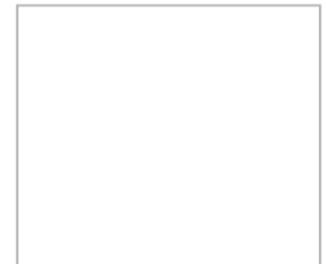

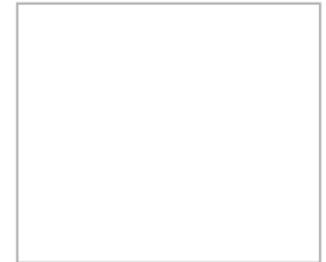

<Remark>

This part is only for GVB (4 door)

- Feature**
- Larger swing angle for adapting longer suspension stroke
 - Increased ball size against conventional VO part
 - This item is homologated with Group N VO; able to use for Group N cars

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: B/J for Ft Lower Arm

Part number: 20206ZR100

Component

- BALL JOINT : 1 (2 per car)
- SELF LOCK NUT M14 : 1 (2 per car)
- BOSS TRANSVERS LINK : 1 (2 per car)

Feature

- VR4-homologated Boll Joint for Group R4
- Improve reliability and durability of fastening section by increased screw size
- Improve reliability on tough/rough gravel by increased boll size

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Rr Lateral Link Assy Ft

Part number: 20251ZR100

Component ■ LINK ASSY Rr LATERAL LINK Ft : 1 (2 per car)

- Feature**
- VR4-homologated Rear Lateral Link Front for Group R4
 - Adjustable Link length design for R4
 - Realize direct steer-feeling by adopt Pillow Ball Bearing
 - Realize high rigidity and, improved road- contact property and stabilized behavior of tyre on various kinds of roads
 - Adopted optimized design and special steel for realize high strength and durability

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Rr Lateral Link Assy Rr

Part number: 20251ZR110

Component ■ LINK ASSY Rr LATERAL Rr : 1 (2 per car)

- Feature**
- VR4-homologated Rear Lateral Link Rear for Group R4
 - Adjustable alignment design for R4 by with length adjusting mechanism
 - Improve traction by longer suspension stroke
 - Realize direct steer-feeling by adopt Pillow Ball Bearing
 - Realize high rigidity and, improved road- contact property and stabilized behavior of tyre on various kinds of roads
 - Adopted optimized design and special steel for realize high strength and durability
 - More flexibility on suspension-tuning by revised mounting point of damper

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Rr Trailing Link Assy

Part number: 20251ZR120

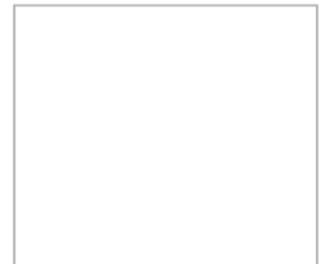

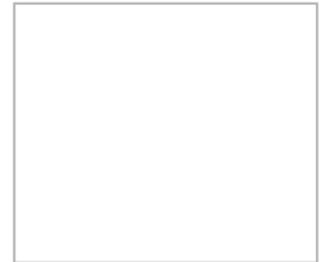

Component ■ LINK ASSY Rr TRAILING LINK : 1 (2 per car)

Feature

- VR4-homologated Rear Trailing Link Rear for Group R4
- Adjusting toe control mechanism design for R4
- Realize direct steer-feeling by adopt Pillow Ball Bearing
- Realize high rigidity and, improved road-contact property and stabilized behavior of tyre on various kinds of roads
- Adopted optimized design and special steel for realize high strength and durability

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Pillow Ball Bush for Rr Lateral Link Ft

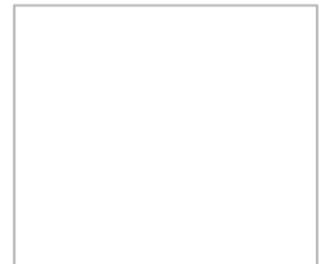

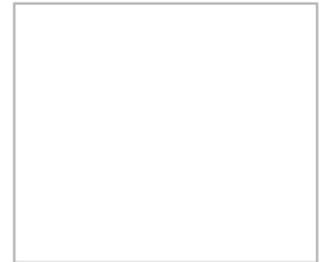

Part number: 20253ZR100

Component ■ PILLOW BALL : 1 (2 per car)

Feature ■ This is repair part for Rr Lateral Link Assy Ft (20251ZR100)

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Pillow Ball Bush for Rr Lateral Link Rr

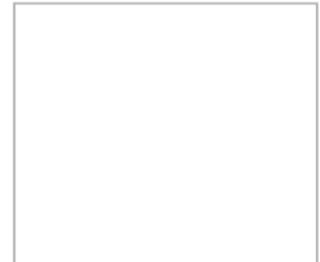

Part number: 20253ZR110

Component ■ PILLOW BALL : 1 (2 per car)

Feature ■ This is repair part for Rr Lateral Link Assy Rr (20251ZR110)

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Pillow Ball Bush for Rr Trailing Link Ft

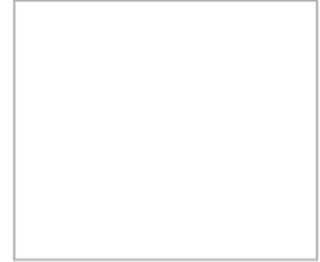

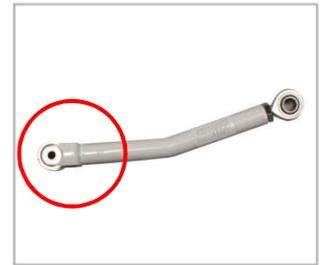

Part number: 20253ZR120

Component ■ PILLOW BALL with Spacer inner/outer : 1 (2 per car)

Feature ■ This is repair part for Rr Trailing Link Assy (20251ZR120)

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Pillow Ball Bush for Rr Trailing Link Rr

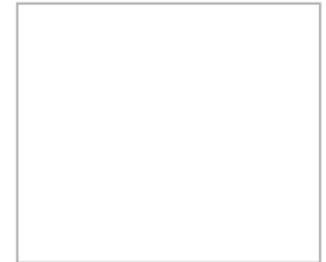

Part number: 20253ZR130

Component ■ PILLOW BALL : 1 (2 per car)

- Feature**
- VR- homologated Pillow Ball Bush for Group R4
 - Improve traction by low friction
 - Realize longer life by special seal design
 - This is also repair part for Rr Trailing Link Assy

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Pillow Ball Bush for Rr Upper Arm Ft

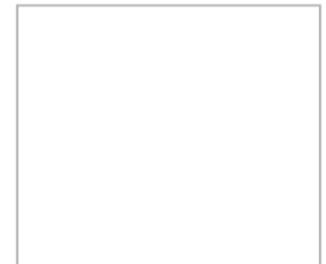

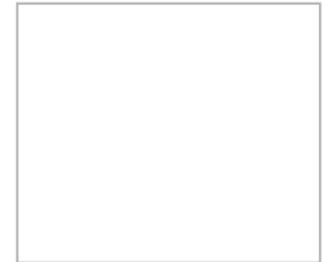

Part number: 20253ZR140

Component ■ PILLOW BALL : 1 (2 per car)

- Feature**
- VR4-homologated Pillow Ball Bush Front for Rear Upper Arm for Group R4
 - Realize direct steer-feeling by adopt Pillow Ball Bearing
 - Realize high rigidity and, improved road-contact property and stabilized behavior of tyre on various kinds of roads
 - High performance bearing; high strength and durability
 - Improve road-contact property by low friction

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Pillow Ball Bush for Rr Upper Arm Rr

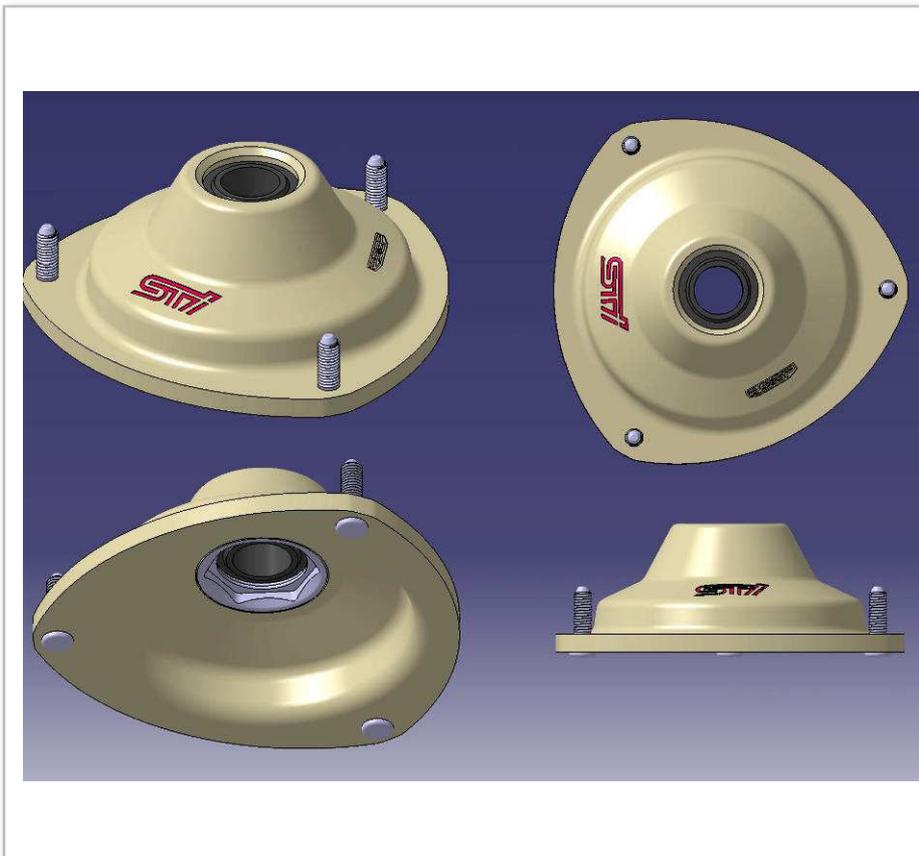

Part number: 20253ZR150

Component ■ PILLOW BALL : 1 (2 per car)

- Feature**
- VR4-homologated Pillow Ball Bush Front for Rear Upper Arm for Group R4
 - Realize direct steer-feeling by adopt Pillow Ball Bearing
 - Realize high rigidity and, improved road-contact property and stabilized behavior of tyre on various kinds of roads
 - High performance bearing; high strength and durability
 - Improve road-contact property by low friction

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Top Mount for Ft Strut

Part number: 20320ZR110

Component ■ TOP MOUNT : 1 (2 per car)

- Feature**
- VR4-homologated Top Mount Front for Group R4
 - Newly designed mounting section to damper 20mm upper side to Z direction
 - Extendable suspension stroke against Group N
 - Keep high rigidity on tough/rough gravel
 - Adopted special material and realize light weight as well as high strength and durability

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Top Mount for Rr Absorber

Part number: 20370ZR110

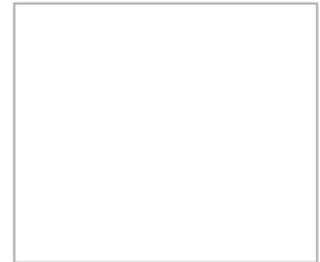

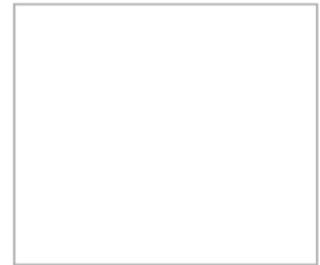

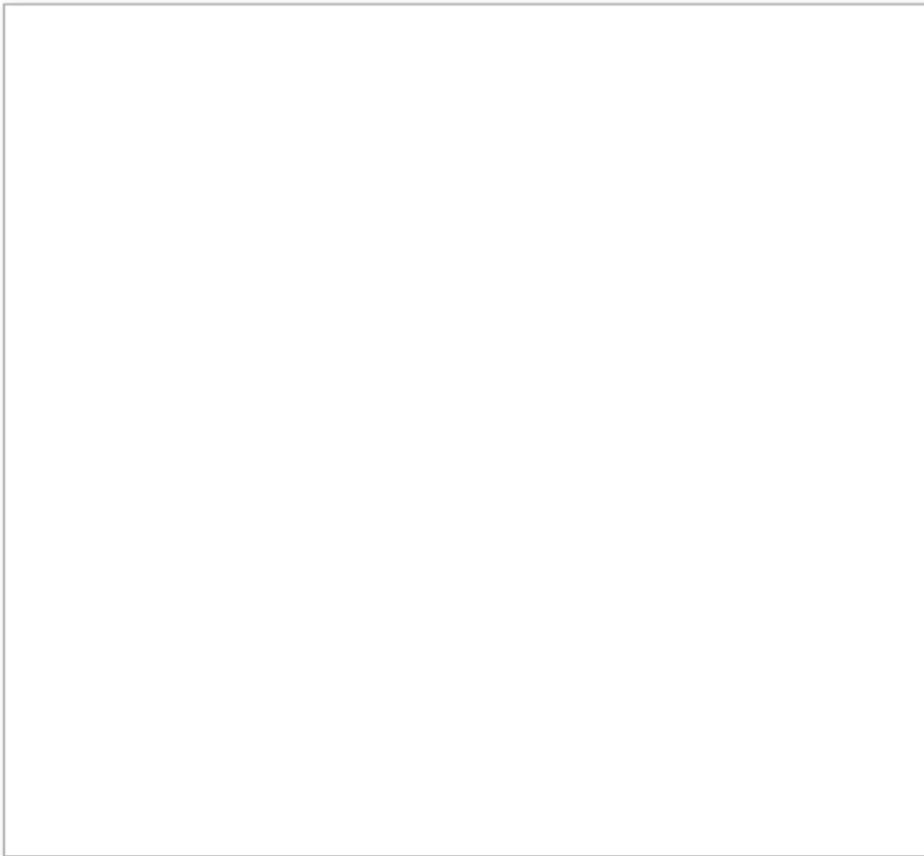

Component ■ TOP MOUNT : 1 (2 per car)

Feature

- VR4-homologated Top Mount Rear for Group R4
- Use with Rr Turret ; 52152ZR000
- Optimized mounting point specially for R4
- Extendable suspension stroke against Group N
- High rigidity for adapting on tough/rough gravel
- Adopted special material and realize light weight as well as high strength and durability

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Stabilizer Link Ft

Part number: 20470ZR100

Component

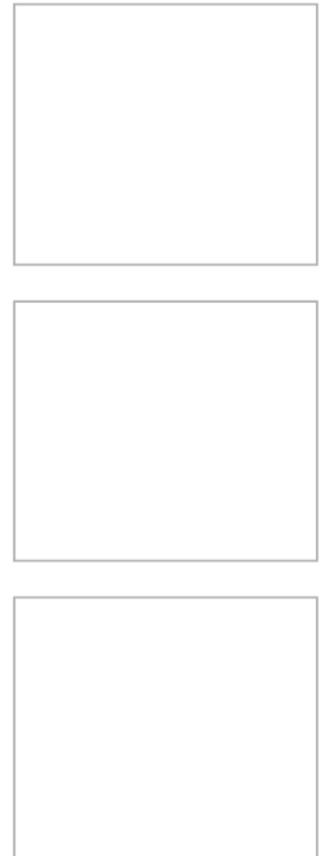

- Ft STABILIZER : 1 (2 per car)
- NUT : 2 (4 per car)

Feature

- VR4-homologated Front Stabilizer Link for Group R4
- Adopted highly reliable Pillow Ball Joint on both ends
- Optimally tunable by adjustable length depending on suspension stroke

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Stabilizer Link Rr

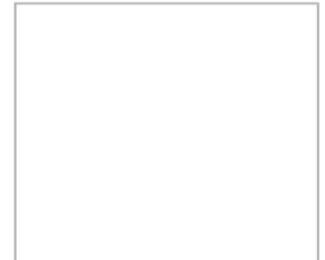

Part number: 20470ZR110

- Component**
- Rr STABILIZER : 1 (2 per car)
 - NUT : 2 (4 per car)

- Feature**
- VR4-homologated Front Stabilizer Link for Group R4
 - Adopted highly reliable Pillow Ball Joint on both ends
 - Optimally tunable by adjustable length depending on suspension stroke

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Turret for Rr Absorber

Part number: 52152ZR000

Component ■ TURRET Rr : 2

Feature

- VR4-homologated Rear Turret for Group R4
- Body bracket for change mounting section of Rear Top Mount 40mm to Z direction
- Optimized mounting point specially for R4
- Extendable suspension stroke against Group N
- Require body work for mounting, please refer to STI provided instruction
- Use with Top Mount Rr; 20370ZR110

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

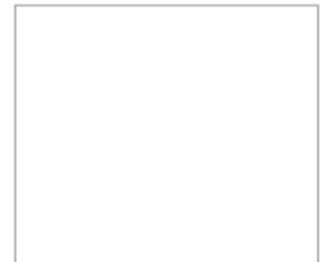

Inquiry: contact STI Base Teams

<Safety and Weight Saving items>

- Ft Door Windscreen Rh / Lh
- Ft Door Windscreen Rh / Lh (No slider kit)
- Ft Door Impact Foam Rh / Lh
- Ft Door Carbon Trim Rh / Lh
- Rr Door Windscreen Rh / Lh
- Rr Door Impact Foam Rh / Lh
- Rr Door Carbon Trim Rh / Lh
- Rr Gate Windscreen
- Rr Windscreen (GVB)
- Head Protection Foam Rh / Lh
- Ft Heated Windscreen 10MY
- Ft Heated Windscreen
- Rr Quarter Windscreen Rh / Lh
- Rr Quarter Windscreen Rh/Lh (GVB)
- Heater and Demister

<Others>

- Grill Hood Rh / Lh
- R4 Door Glass Holder Kit

Part name: Ft Door Windscreen Rh / Lh

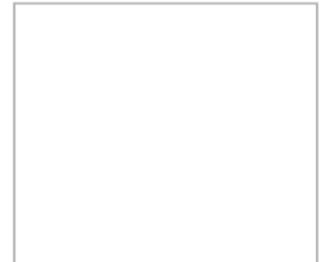

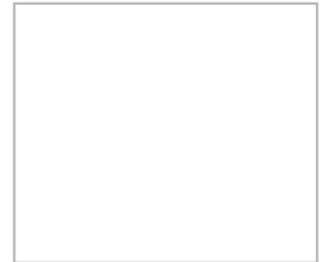

Part number: 61011ZR000 / 61011ZR010

Component	■ Ft DOOR WINDSCREEN Rh : 1
	■ Ft DOOR WINDSCREEN Lh : 1

Feature	■ VR- homologated and E-marked Windscreen for Group R4
	■ Made of hard coated light weight polycarbonate
	■ With a small sliding window
	■ Escapable in case of an emergency

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Ft Door Windscreen Rh / Lh (No Slider Kit)

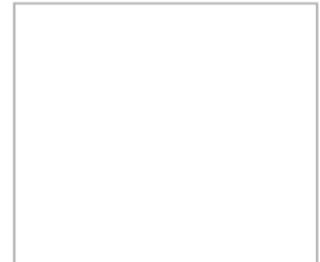

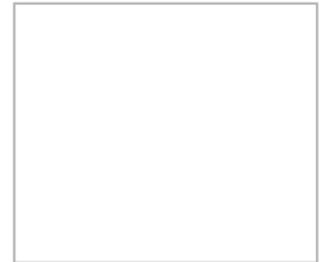

Part number: 61011ZR020 / 61011ZR030

- Component**
- Ft DOOR WINDSCREEN Rh : 1
 - Ft DOOR WINDSCREEN Lh : 1

- Feature**
- VR- homologated and E-marked Windscreen for Group R4
 - Made of hard coated light weight polycarbonate
 - Escapable in case of an emergency

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Ft Door Impact Foam Rh / Lh

Part number: 61033ZR000 / 61033ZR010

Component

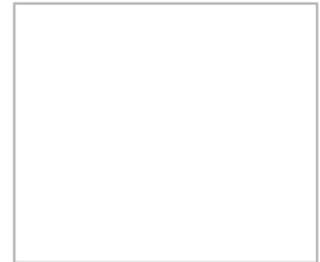

- Ft DOOR IMPACT FOAM Rh : 1
- Ft DOOR IMPACT FOAM Lh : 1

Feature

- VR4-homologated Front Door foam for Group R4
- Meet for FIA 2011 safety regulations

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Ft Door Carbon Trim Rh / Lh

Part number: 61055ZR000 / 61055ZR010

Component

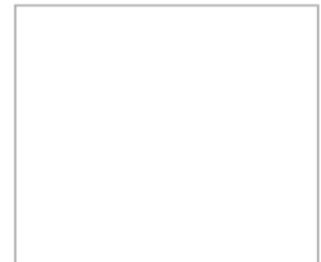

- Ft DOOR CARBON TRIM Rh : 1
- Ft DOOR CARBON TRIM Lh : 1
- BELT HANDLE : 2

Feature

- VR4-homologated Front Door Trim for Group R4
- Meet for FIA 2011 safety regulations
- 6 ply & 1.2mm thickness very light weight type

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Rr Door Windscreen Rh / Lh

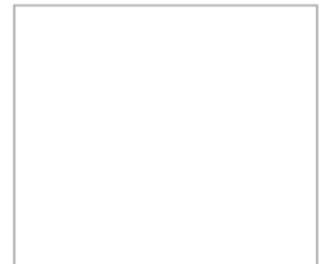

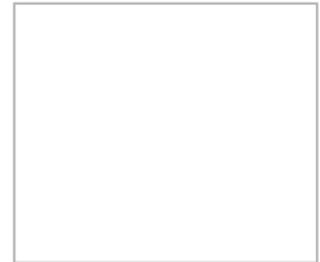

Part number: 62011ZR000 / 62011ZR010

- Component**
- Rr DOOR WINDSCREEN Rh : 1
 - Rr DOOR WINDSCREEN Lh : 1

- Feature**
- VR- homologated and E-marked Windscreen for Group R4
 - Made of hard coated light weight polycarbonate

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Rr Door Impact Foam Rh / Lh

Part number: 62033ZR000 / 62033ZR010

Component

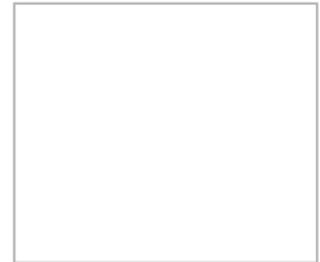

- Rr DOOR IMPACT FOAM Rh : 1
- Rr DOOR IMPACT FOAM Lh : 1

Feature

- VR4-homologated Rear Door foam for Group R4
- Meet for FIA 2011 safety regulations

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Rr Door Carbon Trim Rh / Lh

Part number: 62055ZR000 / 62055ZR010

Component

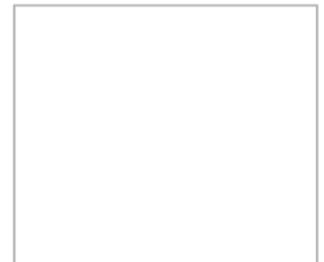

- Rr DOOR CARBON TRIM Rh : 1
- Rr DOOR CARBON TRIM Lh : 1

Feature

- VR4-homologated Rear Door Trim for Group R4
- Meet for FIA 2011 safety regulations
- 6ply & 1.2mm thickness very light weight type

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Rr Gate Windscreen

Part number: 63011ZR000

Component ■ Rr GATE WINDSCREEN : 1

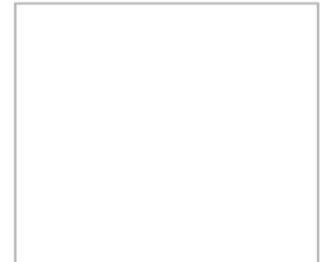

<Remark>

This part is only for GRB (5 door).

Feature ■ VR- homologated and E-marked Rear Windscreen for Group R4
■ Made of hard coated light weight polycarbonate

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Head Protection Foam Rh / Lh

Part number: 64080ZR000 / 64080ZR010

Component

- HEAD PROTECTION FOAM Rh : 1
- HEAD PROTECTION FOAM Lh : 1

Feature

- VR4-homologated Rear Door foam for Group R4
- Meet for FIA 2011 safety regulations

商品名 : Ft Heated Windscreen 10MY

商品番号 : 65009ZR000

Component ■ Ft HEATED WINDSCREEN : 1

<Remark>

This part is only for GRB Spec C (N5732).

- Feature ■ VR- homologated and E-marked Front Windscreen for Group R4
- Heat-ray glass which prevents low visibility caused by condensation in the front windscreen
 - Laminating structure of two pieces

<Important> Please contact the company below for any inquiries on this product from March 2013.

Part name: Ft Heated Windscreen

Part number: 65009ZR010

Component ■ Ft HEATED WINDSCREEN : 1

<Remark>

This part is only for GRB (N5714) and GVB (4 door).

- Feature**
- VR- homologated and E-marked Front Windscreen for Group R4
 - Heat-ray glass which prevents low visibility caused by condensation in the front windscreen
 - Laminating structure of two pieces

Inquiry: contact STI Base Teams

Part name: Rr Quarter Windscreen Rh / Lh

Part number: 65209ZR000 / 65209ZR010

- Component**
- Rr QUARTER WINDSCREEN Rh : 1
 - Rr QUARTER WINDSCREEN Lh : 1

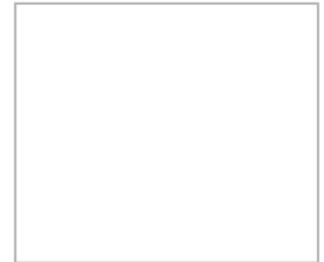

<Remark>

This part is only for GRB (5 door).

- Feature**
- VR- homologated and E-marked Rear Quarter Windscreen for Group R4
 - Made of hard coated light weight polycarbonate

Inquiry: contact STI Base Teams

Part name: Rr Quarter Windscreen Rh / Lh (GVB)

Part number: 65209ZR020 / 65209ZR030

- Component**
- Rr QUARTER WINDSCREEN Rh (GVB): 1
 - Rr QUARTER WINDSCREEN Lh (GVB): 1

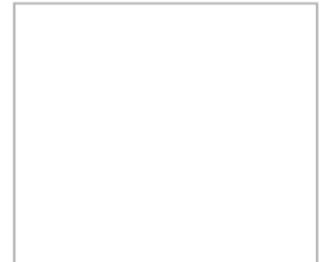

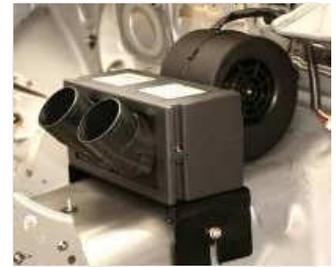

<Remark>

This part is only for GVB (4 door).

- Feature**
- VR- homologated and E-marked Rear Quarter Windscreen for Group R4
 - Made of hard coated light weight polycarbonate

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Heater and Demister

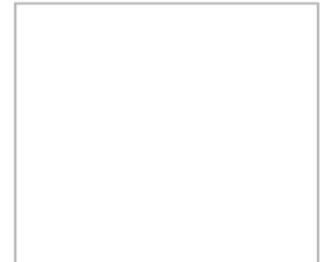

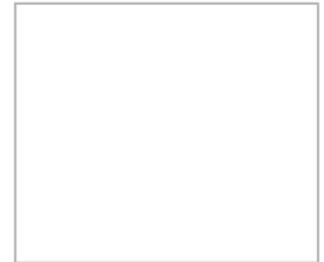

Part number: 72110ZR000

Component ■ HEATER AND DEMISTER : 1

- Feature**
- VR4-homologated Heater System for Group R4
 - Needed function selected simple design
 - Realize significant reduction in size and weight
 - Three steps adjustable blower

Information about FIA homologation: visit STI website http://www.sti.jp/e/competitor/r4_homologation/

Inquiry: contact STI Base Teams

Part name: Grill Hood Rh / Lh

Part number: 90821ZR000 / 90821ZR010

Component

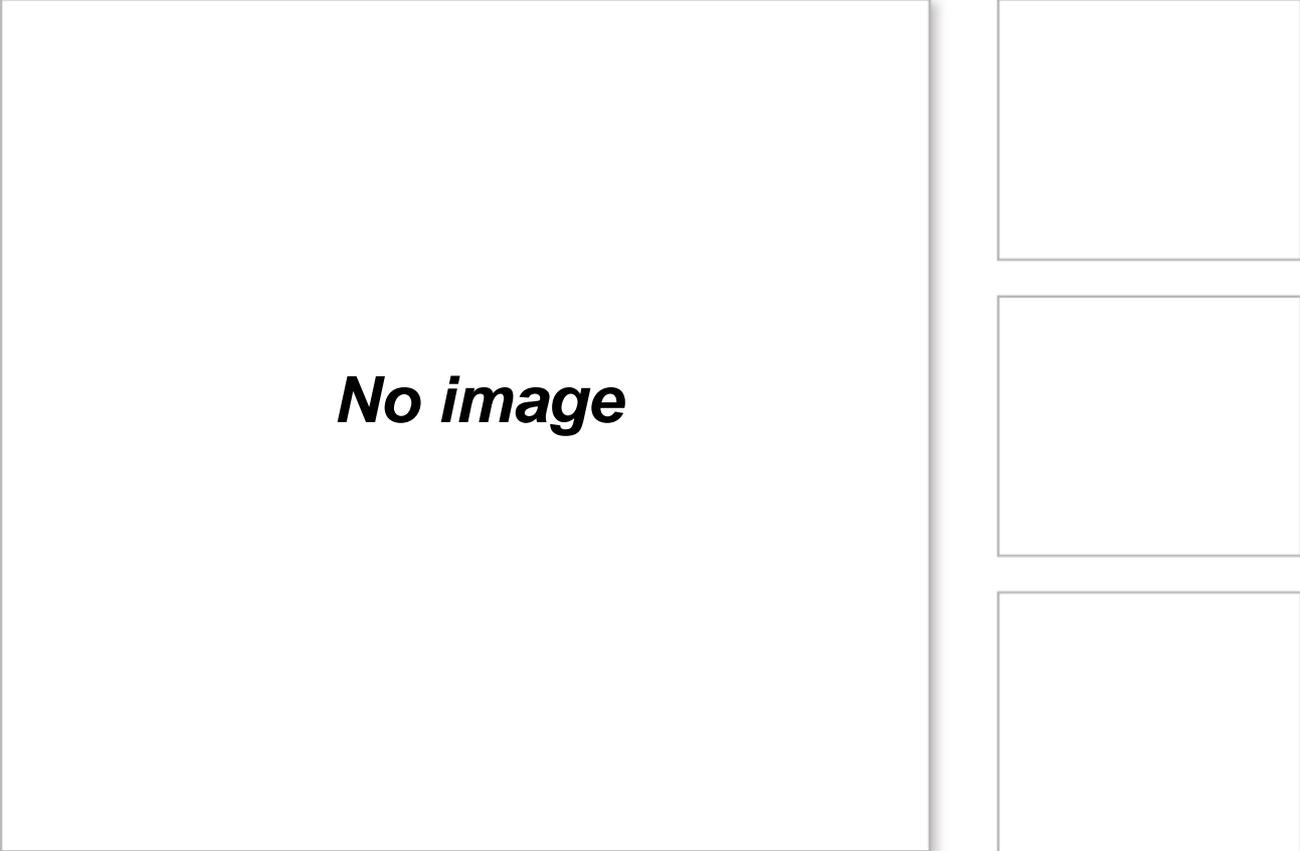

- GRILL HOOD Rh : 1
- GRILL HOOD Lh : 1

Feature

- VR4-homologated Bonnet Grill for Group R4
- Improve cooling performance in engine room effectively by aerodynamic character
- Adopted a great heat resistant special plastic
